### **Contributions – Not after December 31, 2007.**

Many churches put an article in the bulletins in December to let people know that they cannot submit a contribution on the first Sunday in January (or later) and expect it to be counted as a gift in 2007. Even if they date it 2007, it cannot be accepted. The general rule is that it must either be in the Church Office by December 31st or it must be postmarked December 31st or before. It is our understanding that there is no "grace period" with the IRS !!

**Lost and Found – Have you misplaced a coat or jacket? If you check the coat room in the Gathering Area, it might be there. Several have been hanging there for a few months. If not claimed by the first of the year, they will be donated to charity.**
