

PRAYER AND SPIRITUAL

RESPECT LIFE

Third Month Baby Update

The baby can now squint, swallow and move its tongue. It sleeps and awakens. Fingernails and toenails form. It now has its own unique set of fingerprints. Sensitive to touch, it will tightly grasp an object placed in the palm of its hand. It breathes amniotic fluid to help develop and strengthen the respiratory system, but gets the oxygen it needs from the umbilical cord.

Sunday Prayer/Bible Study Group

At one point or another in life we will all face suffering, whether we experience it ourselves or we witness, and stand by, a loved one who suffers. We often ask, "Does God care?" "Why does it happen?" "How can we address the challenges we face better?"

We welcome you to join us for a casual book study:

What: Open discussion of *The Promise, God's Purpose and Plan for When Life Hurts*, by Father Jonathan Morris

Who: You are invited by the Sunday Women's Prayer Group (feel free to bring a friend).

When: First meeting will be Sunday, June 8th, from 7:00 to 9:00 p.m.
