Contact Michelle Myers in the OSU Office of Medical Education at 614-292-2936 or [michelle.myers@osumc.edu](mailto:michelle.myers@osumc.edu) to learn more about this program.

#### Priesthood Sunday:

This Sunday, October 25th, is Priesthood Sunday, a day set aside to honor priests worldwide for their dedication to Christ and to the people of God. After the 10:00 a.m. Mass this Sunday, a light reception will be held in the cafeteria to give thanks to Fr. Hayes for his vocation and dedication as our spiritual leader here at St. Timothy. All members of our community are encouraged to come and show their appreciation. There will be a basket available for cards and notes of thanks.

Although he will not be here with us this weekend, we also would like to give thanks to Fr. Dan Millisor, Associate Pastor of St. Pius X, who has been assisting on the weekends for the past couple years.

#### Notes on the Mass

The Eucharist is the center and summit of the whole sacramental life, through which each Christian receives the saving power of the Redemption, beginning with the mystery of Baptism, in which we are buried into the death of Christ, in order to become sharers in His Resurrection, as the Apostle teaches (Romans 6:3-5). In the light of this teaching, we see still more clearly the reason why the entire sacramental life of the Church and of each Christian reaches its summit and fullness in the Eucharist.

## A Word from Your Pastor

Dear Parishioners:

As we prepare for our first Activities and Ministries Fair next weekend, all are invited to consider the question, "What am I doing for my God and my Faith?" God has done so much for us through the gift of Salvation in Jesus Christ. We can never thank Him enough for all that He has done. The response that we can give is to look outward, beyond ourselves, to the needs of others.

Many parishioners are not aware of all that happens in the life of our Parish Family. Parish Council, Finance Committee and the Liturgy Committee have been discussing ways to bring about a greater awareness of all that is available and more participation on the part of all the members of our Parish. We are hopeful that everyone will find a "niche."

This weekend, as I have heard, we are celebrating Priesthood Sunday, and some fellowship will be available after the 10:00 a.m. Mass. I thank you for the recognition of my vocation as Priest and for the support you show me as your Pastor. At that same Mass, we are celebrating the Confirmation Enrollment, a step in the life of our Confirmation Class (8th graders). It is fitting that we all recognize our call to respond to the Gift of the Holy Spirit according to our Vocation from God. When we respond to God's invitation to a life of service in whatever manner He calls, we find that great things can happen.

Next weekend, we will celebrate the Solemnity of All Saints, since November 1 falls on Sunday. This is a wonderful opportunity to reflect on the Communion of Saints which we share with all Christians on the face of the earth and all those who have gone before us in the ways of Faith. God has the desire for all people to find salvation. May we learn to cooperate with His grace and to be holy as He is holy.

#### Catholic Teaching on Embryonic Stem Cell Research

Pope Benedict XVI:

Research [involving the destruction of human embryos] ... is not truly at the service of humanity ... History itself has condemned such a science in the past and will condemn it in the future, not only because it lacks the light of God but also because it lacks humanity. 9

No one can dispose of human life. An insurmountable limit to our possibilities of doing and of experimenting must be established. The human being is not a disposable object, but every single individual represents God's presence in the world. 10

The new frontiers reached in bioethics do not require us to choose between science and morality: rather, they oblige us to a moral use of science. 11

#### U.S. Conference of Catholic Bishops:

We must help those who are suffering, but we may not use a good end to justify an evil means. Moreover, treatments that do not require destroying any human life are at least as promising – they are already healing some conditions, and are far closer to healing other conditions than any approach using embryonic stem cells. The choice is not between science and ethics, but between science that is ethically responsible and science that is not. 12

#### Music at St. Timothy Church

The St. Timothy Church Music Ministry needs your help. With Fr. Timothy's blessings, we are recruiting musicians desiring an opportunity to share their musical gifts as cantors, choir members and instrumentalist. During Mass, we sing together and make a joyful noise unto the Lord. The trumpet has sounded and I am encouraging you to consider the Music Ministry as an opportunity to serve St. Timothy Church. Join the dynamic musicians of St. Timothy Church and lift high the cross through prayer and song.

We have several openings and all are welcome. The Adult Choir and Folk Group are in need of male vocalists. I have enclosed *Five Reasons Men Should Join the Church Choir*:

1. Rehearsals are every Wednesday night. This means that for those few hours, you will significantly reduce your risk of contracting tendonitis from nonstop operation of a television remote control or computer mouse.
2. Because you wear a choir robe every Sunday, you are liberated from a task many men find quite challenging: finding clothes that match properly.
3. If you think your singing in the shower sounds good now, just wait until you have been singing with us for a few weeks.
4. For the fitness buffs, singing in the Choir is not only heart healthy, it's soul healthy. But there are no monthly membership fees and it's a lot easier on the knees than jogging.
5. When people ask you whether you've been behaving yourself, you can say with the utmost sincerity, "Hey, I'm a Choir Boy."

*Thanks go out from the Maintenance Committee to **MATT FRANCESCO** for volunteering his talents to beautify our church. St. Timothy's outdoor cross that stands next to the bell has been clean, primed and painted a Bright White for all of us to look up to as we enter church each day. Thank you Matt for all your work!*

The Maintenance Committee would like to call all hands on deck to a **FALL OUTDOOR CLEANUP DAY, Saturday, October 31st**, starting at 8:00 a.m. Wear your overalls and work gloves and help pick up the grounds of the parish house and the green. This will include tree and bush trimming, gutter cleaning, walnut gathering, replacing window well covers, etc. We need you to help get St. Timothy's grounds ready for winter and the Christmas season (last on the list is putting up our Christmas lights). We look forward to a day of parish friendship and yard work. See you there!

## Music Corner

#### Do You Love to Sing?

St. Timothy Church is inviting you to become a dynamic part of the music program. From St. Timothy's founding in 1961, the Music Ministry (cantors, multiple choirs and instrumentalist) has praised God through music. We do not require auditions, just a love of music and desire to sing and praise God. Vocal training is not required. Come sing with us and join the Music Ministry at St. Timothy Church! St. Augustine once said, "Singing is Praying Twice."

#### JOIN US AT REHEARSAL ON:

Wednesday – Folk Group – 6:45-7:30 p.m.

Wednesday – Adult Choir – 7:30-9:00 p.m.
